Minnesota New No. 45 Grapes, 50c

We have on trial several good varieties originated at the State Fruit Breeding Farm. Some of these which Professor Alderman now recommends very highly. Some of these best varieties in Apples, Plums, Pears, Grapes, and Currants will possibly be named in another year. You will find many of these listed in this catalog for the first time. We want you to try these new fruits as they are superior to many now on the market. We have tried to make a short honest description of all the varieties listed.

We will have many new Plums to offer in fall 1939 and spring 1940. Be sure to get your copy. We have this spring **MINNESOTA PLUM No. 218. Mammoth Red Plum.** We will offer in strong trees at 75c each or three for \$2.10. (This is not listed elsewhere in catalog.) Place your order at once while we still can supply varieties wanted.

TO CUSTOMERS: We want to thank you again for your kind patronage given us the past season. Some of you have received our first catalog. Others have been ordering from us for the last 5, 10, 15 and yes, even our 24 years of service. This year we offer a bigger and better stock in quantity as well as quality. We will try our best to render honest service and we

GUARANTEE that all nursery stock purchased from us will reach you in good live condition. If you find it otherwise, report to us AT ONCE. Write us giving date order was received and order number if possible.

REPLACEMENTS If under your planting and care any stock should fail to grow, write or report it to us not later than August 1, 1939 for replacement up to $\frac{1}{2}$ purchase price. Please do not hold us responsible for weather conditions or any other conditions beyond OUR CONTROL.

POSTAGE Most orders can go express and it is the most convenient way and more often the cheapest way to ship. The bundle or bale comes collect and you pay the express man only the exact amount. Shipping C.O.D. for postage only is satisfactory as your package is automatically insured. Large orders by freight.

LANDSCAPE PLAN When you send your order, send along a diagram of house or yard and we will mark the plan placing the trees and shrubs on your order. THIS SERVICE IS FREE on any order of \$5.00 or more. If you would like to have a complete Landscape Plan drawn to scale, send us a complete sketch showing basement and first story windows, doors, water spouts, etc. in SCALE; and the existing lawn trees, shrubs, beds, etc. We will draw a complete plan in colored pencil of your house foundation planting for \$1.50; of foundation planting and yard for \$2.00 and up according to size and requirements. You will receive credit for amount paid for plan to be applied on pending order; the order being 10 times plan cost.
